

# Instrument Drive

Do you have an instrument just gathering dust in your closet or garage? Want to help it sing again? You can! Donate your instruments to the Mesa Union Instrumental Music Program.

Students in 4th through 8th grade are in need of instruments so that they may experience the joy of learning to play in the band. We are looking for wind instruments such as flutes, clarinets, trumpets, saxophones, trombones, and other instruments.

You can drop off your instruments in the office or send to room 6. Any questions email [mwaggoner@mesaschool.org](mailto:mwaggoner@mesaschool.org).

Thank you for supporting the  
Mesa Union Instrumental  
Music Program!
