RE: Agenda for SSC/ELAC Joint Meeting
Wednesday, March 1, 2017

Information:

California Education Code 64001(a) requires districts receiving state, federal and other applicable funding through the Consolidated Application (ConApp) process ensure that schools prepare a Single Plan for Student Achievement (SPSA). The SPSA is a blueprint to improve the academic performance of all students to the level of the targeted performance goals.

Pursuant to California Education Code 52852, every school shall establish a School Site Council (SSC) as the decision-making council for all programs funded through the ConApp. Further, the SSC is responsible for developing, revising and adopting the SPSA, as well as ensuring that a school meets all federal parental involvement mandates, and the proposed expenditure of all categorical funds.

The functions, roles, and responsibilities of the SSC and ELAC are outlined on the accompanying slides presentation.

Agenda:

- Welcome and Introductions by Dr. Stephen Bluestein, Principal
- Discussion about SPSA Goals
- Ratification of SPSA
- Next Meeting
- Closing
