

Mesa Union Cafeteria News - 2017-2018

Hi Tiger Families...Welcome Back To School!!

Menus are available on our website and monthly in *Mesa Matters*. I always have extra menus available in the cafeteria if you need a copy. Breakfast is available before school and during morning recess. Milk and Water are sold daily during school. All meals are served with the choice of 1% regular or nonfat *TruMoo* chocolate milk. Our Salad Bar is available to all students this year, grades TK to 8th.

Snacks are now sold only after school. Payments must be made in the office and snacks are only available to students who have a positive balance on their accounts. Student's accounts are available on Parent Connect. Parents can check accounts and see what your children are purchasing. Paypal is available on Parent Connect and payments can also be made in the office with check or cash. It is important that students keep a positive balance on their account. Students with a negative balance will not be allowed to receive breakfast, will receive an alternative lunch, and will not be allowed to buy snack after school. We apologize for any inconvenience, however it became necessary to take these measures to assure accounts were taken care of. Thank you for your understanding and attention to the importance of your children's accounts.

I hope this helps you as parents understand things a little better☺ I appreciate your help with explaining things to our little Tigers as well☺ Please notify me or the office if your child has any food allergies I should be aware of. I am always happy to make special arrangements for anyone who needs it.

Please contact me if you have any questions or concerns.

Thank you,

Debbie Sussex
