Parents, please self-nominate

## Attention Parents!

You are invited to self-nominate for a position on the Mesa Union School Site Council. Take an active role in the setting the goals and priorities for our School Plan, review student performance data, and set and monitor the related budget.

The School Site Council (SSC) is a mandated, elected group of parents, teachers, and school employees that work with the principal to develop, review, and evaluate school improvement programs at Mesa Union School. For the 2017-2019 term, one parent seat is vacant. Those elected serve a two-year term starting at the beginning of each school year. **Parents are encouraged to self-nominate** by providing a statement describing their qualifications and the strengths they could bring to SSC. The SSC meets on the last Thursday of each month from 3:00pm to 4:00pm.

**Candidate Statements** are due by October 1, 2017 to Dr. Bluestein, Principal in the school office. The form is attached.

**Election** will be held by ballot, a copy of which will be sent out via our website and *Mesa Matters* and available in the school office. Completed ballots must be turned in no later than October 5, 2017. Results will be announced no later than October 6, 2017. If only one parent applies for the one vacant seat, there will be no need for balloting and an election.
