MESA Board Policy 6152 – Criteria for student placement in a classroom:
 Staff recommendation, Academic Balance (at/above/below grade level achievement)
 Student's Social Interaction/Work Habits, Class Size

Parental Input Form for 2018 – 2019

At Mesa Union School, we decide classroom placement through a team-effort involving the classroom teacher, teacher specialists, and principal. In an effort to provide the best education possible, we also consider class size of boys/girls, students' abilities and special needs, learning styles of the students and instructional styles of teachers. At the completion of the placement process, the principal will be responsible for making the final placement.

Parents/Guardians who would like to give input about their child's placement should submit this form to the school secretary **on or before May 25, 2018.**

Student's Name (Please Print)	Current Grade	Current Teacher

1. Please indicate the most important thing you want us to know about your child:

2. Please write your greatest concern for your child at school:

3. Please make any comments that are pertinent to your child's placement:

Parent input may be considered as only *one* of the determining factors taken into consideration regarding class assignments. If you are suggesting teacher names as a possibility for your child, please be sure to list at least two teachers you would see as options. **Forms turned in with only one teacher's name listed will not be considered.** Please be advised that your input will be considered during the placement process. However, in light of the above placement criteria, there is no guarantee that such a request will be granted. In the event that teacher assignments change, the team will consider your input for questions 1-3.

We wish to assure you that extensive thought and deliberation is given to student placement to make the best possible decision for all of our elementary school children. We appreciate your understanding with regard to the complexity of the process and your confidence in our ability to make decisions equitably and with sensitivity to the Mesa community.

Mesa Directiva 6152- Criterios para la colocación de los estudiantes en un salón de clases: Recomendación del personal, Balance Académico (a/ por encima/ rendimiento por debajo del nivel de grado) Interacción Social del Estudiante/Hábitos de Trabajo, Tamaño de Clase

Forma de Aportación del 2018-2019

En la Escuela de Mesa Union, decidimos la colocación en el salón por medio de un esfuerzo de equipo que involucra al maestro, especialistas de maestros y el director. En un esfuerzo de proporcionar la mejor educación posible, también consideramos el tamaño de la clase, la proporción de niños/niñas, las habilidades de los estudiantes y las necesidades especiales, estilos de aprendizaje de los estudiantes y los estilos de enseñanza de los maestros. Al finalizar el proceso de colocación, el director será responsable de realizar la colocación final.

Los Padres/Tutores que deseen dar su opinión sobre la colocación de sus hijos deben presentar este formulario a la secretaría de la escuela **antes del 25 de Mayo del 2018.**

Nombre del Estudiante (Letra de Molde)	Grado Actual	Maestro/a Actual

1. Por favor indique lo más importante que desea usted que conozcamos acerca de su hijo/a:
2. Por favor escriba su mayor preocupación por su hijo/a en la escuela:
3. Por favor haga cualquier comentario relacionado a la colocación de su hijo/a:

La opinión de los padres puede ser considerada como uno de los factores determinantes tomados en consideración con respecto a las asignaciones de clase. Si usted está sugiriendo nombres de maestros como una posibilidad para su hijo/a, por favor asegúrese de escribir al menos dos nombres de maestros que usted vería como opciones. **No se tomarán en cuenta formularios presentados con sólo el nombre de un solo maestro.** Por favor tenga en cuenta que su opinión será considerada durante el proceso de colocación. Sin embargo, no hay garantía de que tal solicitud será concedida. En caso de que cambien las asignaciones de los maestros, el equipo considerará su opinión para las preguntas 1-3.

Deseamos asegurarle que se ha reflexionado extensamente en la colocación de los estudiantes para tomar la mejor decisión posible para todos nuestros estudiantes de primaria. Agradecemos su comprensión con respecto la complejidad del proceso y su confianza en nuestra capacidad de tomar decisiones equitativamente y con sensibilidad a la comunidad de Mesa.
