## Principal's Message

Hello Mesa Families,

This is a busy time of year for everyone at Mesa—families and staff alike. But it is a good busy, and there are a lot of great activities going on.

Thanks to Mesa Union drama specialist Mrs. Diane DeLaurentis for writing and producing the Emoji play, which had three showings last week. The students practiced for months leading up to the production and all the props were made by hand from everyday materials. It was a great show and it had a great message!

Also thanks to Mesa junior high science teacher Ms. Christina Jahr for taking a group of junior high students to Cal Poly SLO this past Saturday for Engineering Day. I hope you followed the tweets from Ms. Jahr on Saturday to see the exciting and rich learning that happened at Cal Poly.

Our PFO Book Fair is in full swing this week and our library has been transformed into a Wild West Book Store with a wide variety of selections for all ages. I hope you personally come to the Book Fair on Wednesday prior to and during Open House.

The other big event this week is our eagerly anticipated Open House on Wednesday evening from 6:30pm to 8:00pm. This is a less formal event than Back to School Night, and parents should proceed directly to their

child's classrooms to see the rich work they have been doing all year. You can also visit other classrooms if you like. Be sure to say hello and introduce yourself to the teachers when you stop in. Do note, however, that Open House is not the time for a parent conference, but the teachers will gladly set up a date for that soon if you'd like an extended talk.

Arrive early at 5:30pm and enjoy a complimentary light dinner from our wonderful PFO. Hot dogs, tater tots and popcorn will be served in front of the Library entrance. This is also a fine time for parent networking and collegiality. Mr. Turner and I will be there for dinner from 5:30pm on, and we hope to see you there. Book Fair will also be open.

While you're enjoying a bite to eat, please visit MEF's informational booth all about the upcoming Golf Tournament that is happening on May 21st. When would you get a chance to golf with Mr. Turner, Dr. Bluestein, Dr. Puglisi, and a lot of your friends! It'll be a lot of fun with some great prizes (like a free truck for a hole-in-one)!

The selection process for the 2018-2019 Assistant Principal is moving along on schedule under the direction on Mr. Turner, who will provide further updates in Mesa Matters as events occur.

In closing, I wanted to tell you that my wife and I will be moving to the Santa Barbara area at the end of June, and I have been appointed as the Superintendent/Principal for the Cuyama Joint Unified School District in Santa Barbara County starting July 1st. Cuyama JUSD is a small, rural K-12 school district with three schools in northeastern Santa Barbara County. Thank you for your many kind words you have said to me over the past weeks. I'll be at Mesa Union until June 20th. Warmly, Dr. Bluestein, Principal

## Mensaje del Director

Hola Familias de Mesa,

Este es un momento del año ocupado para todos en Mesa-familias y personal por igual. Pero es una buena actividad y hay actividades geniales.

Gracias a la especialista en drama de Mesa Union Sra. Diane DeLaurentis por escribir y producir la obra Emoji, que mostró tres la semana pasada. Los estudiantes practicaron durante meses previos a la producción y todos los accesorios fueron hechos a mano con materiales cotidianos. ¡Fue un gran espectáculo!

También gracias a la maestra de ciencias altas de Mesa, Ms. Christina Jahr, por llevar a un grupo de estudiantes de secundaria a Cal Poly SLO el pasado sábado para Engineering Day. Espero que hayas seguido los tweets de la Sra. Jahr el sábado, así que mira el emocionante y rico aprendizaje que sucedió en Cal Poly.

Nuestra Feria de libros de PFO está en pleno apogeo esta semana y nuestra biblioteca se ha transformado en una tienda de libros de Wild West con una amplia variedad de selecciones para todas las edades. Espero que usted personalmente venga a la Feria del Libro el miércoles antes y durante Open House.

El otro gran evento de esta semana es nuestro esperado Open House el miércoles por la noche de 6:30pm a 8:00pm. Este es un evento menos formal que la Noche de Regreso a la Escuela, y los padres deben ir directamente a las aulas de sus hijos para ver el rico trabajo que han estado haciendo durante todo el año. También puede visitar otras clases si lo desea. Sin embargo, ten en cuenta que Open House no es el momento para una conferencia con los padres, pero los maestros estarán encantados de establecer una fecha para eso pronto si lo deseas.

Llegue temprano a las 5:30pm y disfrute de una cena ligera de cortesía de nuestro maravilloso PFO. Se servirán hot dogs, taterots y palomitas de maíz frente a la entrada de la Biblioteca. Este es también un buen momento para el trabajo en red y la colegialidad de los padres. El Sr. Turner y yo estaremos allí para cenar a partir de las 5:30pm, Y esperamos verte allí. La Feria del Libro también estará abierta.

Mientras disfruta de un bocado, visite el stand informativo de MEF sobre el próximo Torneo de Golf que se llevará a cabo el 21 de mayo. ¿Cuándo tendrías la oportunidad de jugar al golf con el Sr. Turner, el Dr. Bluestein, el Dr. Puglisi y muchos de tus amigos? ¡Será muy divertido con grandes premios (como un camión gratis para un hoyo en uno)!

El proceso de selección para el Subdirector 2018-2019 avanza según lo programado bajo la dirección del Sr. Turner, quien proporcionará más actualizaciones en Mesa Matters a medida que ocurren los eventos.

Para terminar, quería decirle que mi esposa y yo nos mudaremos al área de Santa Bárbara a fines de junio, y que he sido nombrado Superintendente / Director del Distrito Escolar Unificado de Cuyama en el Condado de Santa Bárbara a partir de julio. 1º. Cuyama JUSD es un pequeño distrito escolar rural K-12 con tres escuelas en el noreste del condado de Santa Bárbara. Gracias por todas las cálidas palabras que me ha dicho durante las últimas semanas. Estaré en Mesa Union hasta el 20 de junio. Con gusto, Dr. Bluestein, Director
