"Honor the Past, Live in the Present, Drive to the Future....The Mesa Way!"

June 1, 2018

Dear Parents,

As we wrap up the 2018-2019 school year, I wanted to take a moment to thank each of you for partnering with the Mesa Union School District. Together we have provided new and amazing opportunities for our students. I would like to invite each of you to share your favorite Mesa Memory by visiting the school's website at <http://mesaschool.org/mesa-memories/>.

I would also like to share with you that Mrs. Kim Kuklenski will be joining the Mesa administrative team next year as Mesa Union's new assistant principal. In addition, I would like to update parents on facilities improvements that will increase school safety on campus. New fencing will be installed during the next two weeks and over the summer that will make Mesa Union K-8 School a closed campus. Please look to the District website for pictures and additional information over the summer as those projects progress to completion.

In closing, I want to thank you again for your partnership, volunteerism, generosity and compassion as our school community supported each other through the devastating Thomas Fire and other challenging issues this year. It has been a great year and I look forward to serving you in my new role as superintendent/principal in the upcoming school year.

Enjoy your summer,

Jeff Turner,
Superintendent,
Mesa Union School District.
