Cell Phone Policy - UPDATED - PLEASE READ:

If cell phones or other electronic communication devices are brought to school, they are to be turned off during the school day. There is NO cell phone use (no texting, calls, gaming, or social media) **before school at the time a student arrives on campus and after school until 3:00PM. After 3:00PM, students are able to use their cell phones to communicate with parents/guardians.**

Consequences for cell phone usage:

- 1st offense: WARNING
- 2nd Offense: Phone taken away and can be picked up in office or classroom after school by the student.
- 3rd Offense: Phone taken away and parent/guardian must pick up (CANNOT be picked up by student).

School Message

Hello Mesa Families,

Sports Update:

Our Jr High flag football team is currently 2-0. They are off to a great start.

Jr high girls volleyball team placed 3rd in the Ventura Missionary School Tournament.

We encourage you to come out and support our teams. For schedules and more info, visit the PFO sports page at <https://mesapfo.membershiptoolkit.com/sports>

Thank you parents for your understanding and your improved parking lot conduct over the last couple weeks.

Please do NOT park along the red curbs, the red cones, or in the bus lane. There is plenty of parking in the north rectangular parking lot. We appreciate your cooperation and patience.

Please look at our website, Twitter, Instagram, and Facebook pages for the latest news and updates, and read the Mesa Matters weekly.

During the month of October we will be administering the CogAT.

What is the CogAT?

The CogAT is a cognitive abilities test that measures general, abstract reasoning ability. It measures students' abilities to apply their reasoning skills to verbal, quantitative, and non-verbal tasks. Sometimes people wonder if it is an IQ test. It is not. The CogAT measures specific areas of reasoning that have been found to be linked to school success.

What are the results used for?

Teachers use CogAT scores to help students learn more effectively. The results from the CogAT are combined with additional data in order to understand the learning profile of a student. They are used to determine how to differentiate and modify curriculum. Students' learning needs are addressed in the classroom using high-impact differentiation strategies, and may also be addressed during site-based, targeted instructional time. **Our school district will also use the CogAT test results to help identify academically gifted students for the GATE program.**

Who is assessed using the CogAT?

- **ALL THIRD** grade students are assessed using the CogAT
- **FOURTH & FIFTH** graders not previously assessed
- **SIXTH-SEVENTH-EIGHTH** grade students may be considered on a case by case basis

If you would like your child assessed on the CogAT, please email Mrs. Waggoner mwaggoner@mesaschool.org

Durante el mes de octubre estaremos administrando la prueba de CogAT.

¿Qué es CogAT?

CogAT es una prueba de habilidades cognitivas que mide la capacidad de razonamiento general y abstracto. Mide la capacidad de los estudiantes para aplicar sus habilidades de razonamiento para las tareas verbales, cuantitativas y no verbales. A veces la gente se pregunta si se trata de una prueba de inteligencia. No lo es. La prueba de CogAT mide áreas específicas de razonamiento que se han encontrado vinculadas con el éxito escolar.

¿Para qué se utilizan los resultados?

Los maestros usan los resultados de CogAT para ayudar a los estudiantes a aprender más efectivamente. Los resultados de CogAT se combinan con los datos adicionales con el fin de entender el perfil de aprendizaje de un estudiante. Se utilizan para determinar cómo diferenciar y modificar planes de estudio. Necesidades de aprendizaje de los estudiantes se abordan en el aula utilizando estrategias de diferenciación de alto impacto, y también se pueden abordar durante el tiempo de instrucción específica basado en el sitio. **Nuestro distrito escolar también utilizará los resultados de la prueba CogAT para ayudar a identificar a los estudiantes dotados académicamente para el programa de GATE.**

¿Quien es evaluado utilizando CogAT?

- **TODOS** los estudiantes de **TERCER** grado son evaluados usando CoGAT
- Estudiantes de **CUARTO- QUINTO** grado que no han sido evaluados previamente
- Estudiantes de **SEXTO - SÉPTIMO - OCTAVO** grado pueden ser considerados a base de caso por caso

Si desea que su niño sea evaluado en la prueba de CogAT, o si tiene preguntas adicionales, por favor envíe un correo electrónico a la Sra. Waggoner mwaggoner@mesaschool.org
