School Message

Hello Mesa Families,

Parent volunteers are an invaluable resource. Parent volunteers not only help assist staff, parent groups, and school events, but also yields benefits for students. These range from higher student performance to more positive peer and adult relationships.

We would love to increase opportunities for our students next school year through after school clubs. We need parents to volunteer to advise the clubs. Initial LCAP survey results show that 58% of our community feel that after school programs increase a child's connectedness to the school. If

interested in being a club advisor, please contact Ms. Kuklenski kkuklenski@mesaschool.org

Do you have a great picture of Mesa students? Send it to pix@mesaschool.org with the name of the classroom teacher for a chance to see it in the yearbook! Send between now and April 12, 2019.

Please make sure your cafeteria account is current. To check you balance and/or make a payment go online to Parent Connect to pay by credit card or stop by the school office to pay by cash or check.

We are still accepting incoming Transitional Kindergarten and Kindergarten students for the 2019-2020 school year. Contact Irene Ramirez for registration info 805-485-1411.

Mensaje de la Escuela

Hola Familias de Mesa,

Los padres voluntarios son un recurso invaluable. Los padres voluntarios no solo ayudan a ayudar al personal, grupos de padres y eventos escolares, también producen beneficios para los estudiantes. Esto abarca desde un mejor rendimiento estudiantil hasta relaciones más positivas entre sus compañeros y adultos. Nos encantaría aumentar incrementando oportunidades para nuestros estudiantes el próximo año escolar a través de clubes después de la escuela. Necesitamos padres voluntarios para asesorar clubes. Si está interesado por favor envíe un correo electrónico a Kim Kuklenski a kkuklenski@mesaschool.org

¿Tiene una gran foto de estudiantes de Mesa? ¡Envíela a pix@mesaschool.org con el nombre del maestro del salón para la oportunidad de utilizarla en el anuario! Envíela entre ahora y el 12 de abril del 2019.

Por favor asegúrese de que su cuenta de la cafetería al corriente. Para revisar el balance de la cuenta y/o hacer pagos puede hacerlo en la línea para pagar con tarjeta de crédito en Parent Connect o pase a la oficina de la escuela para hacer pagos con efectivo o cheque.

School Attendance and Tardy Update

Our attendance and tardy goal is to have 97%.

We have had two weeks in a row with an increase in our attendance and tardy rates. Great job Mesa Tigers!

2018-19 Attendance Rates:	School Wide	Elementary	Jr High

March 25 - March 29	97.08%	97.25%	96.90%

Every minute in school counts. Tardy students miss valuable instructional time at the start of each school day.

Please be advised of the start times: Grades 4-8 begin at 8:10AM and Grades TK-3 begin at 8:25AM.

2018-19 Tardy Rates	School Wide	Elementary	Jr High

Many of our children have gifts, but not all students are formally identified as gifted. Some have asynchronous development: profound strengths mixed with neuro-typical, or delayed abilities creating a confusing profile. SENG groups offer parents an opportunity to share ideas, strategies and support in a relaxed setting, guided by SENG-trained facilitator. We emphasize positive parenting, avoiding power struggles, developing life skills, and enhancing relationships.

Facilitator: Cindy Hansen M.Ed., ET/P

"My passion for serving the twice exceptional community and gifted students began with my two very different children who became my first students and mentors." Cindy Hansen has been a SENG Model Parent Group Facilitator since 2011. She is the Parent Representative for the Pacific Region of the California Association for the Gifted and an active member in the region's Tri-County GATE Council as well as her professional certifying organization, the Association of Educational Therapists. As an Educational Therapist/Professional in private practice, Ms Hansen integrates her understanding of social-emotional skills while assisting learners and their families to embrace and grow their complex learning profiles.

Muchos de nuestros niños tienen dones, pero no todos los estudiantes son formalmente identificados como dotados. Algunos tienen *desarrollo asincrónico*: fortalezas profundas mezcladas con neurotípico, o habilidades retrasadas creando un perfil confuso. Grupos de SENG ofrecen a los padres la oportunidad de compartir ideas, estrategias y apoyo en un ambiente relajado, guiado por facilitador capacitado-SENG. Hacemos hincapié en la crianza positiva, evitando luchas de poder, desarrollo de habilidades para la vida, y mejora de las relaciones.

Facilitador: Cindy M. Ed Hansen, ET / P

"Mi pasión por servir la comunidad dos veces excepcional y estudiantes dotados que comienzan con mis dos niños muy diferentes y se convirtieron en mis primeros estudiantes y mentores" Cindy Hansen ha sido un facilitador del Grupo de Padres SENG Modelo desde 2011. Ella es la Representante de Padres para la región del Pacífico de la Asociación de California para los Dotados y un miembro activo en el Consejo GATE Tri-County de la región, así como su organización certificadora profesional, la Asociación de terapeutas de la Educación. Como una terapeuta educativa/profesional en la práctica privada, la señora Hansen integra su comprensión de habilidades sociales y emocionales, mientras que asisten a los estudiantes y sus familias para abrazar y hacer crecer sus perfiles de aprendizaje complejo.
