## **Enrollment/ Registration Essentials**

We are currently in the process of planning for the **2021-2022** school year.

While many things have changed this year—many things have remained the same: the importance of a school family, alignment of values and mission, and providing a safe, nurturing environment that fosters a well-rounded foundation for life-long successes.

In addition, we look forward to building relations with new students and connecting with new families. Please read the enrollment information below for new incoming students:

Now is the time to begin the enrollment process for TK/Kindergarten through 8th grade for the 2021-22 school year. This year we are transitioning to online enrollment. To begin the enrollment process please go to [mesaschool.org/enroll](https://mesaschool.org/enroll)

For families that live in the Mesa Union School District boundaries, you will be directed to provide proof of residency through the online enrollment process.

For families that live within the boundaries of another school district, you can begin the pre-enrollment process online at [mesaschool.org/enroll](https://mesaschool.org/enroll). In addition, you will need to go to your home district and get an Interdistrict Transfer. Once your Interdistrict Transfer Agreement is received and approved, you will be directed to finish the enrollment process online.

### **Kindergarten**

Students enrolling for Kindergarten must be five years of age by September 1, 2021 (EC 4800a).
