Dear Friends and Family of Mesa School,

The Mesa Education Foundation is thrilled to be hosting our **10th Annual Golf Tournament** on May 2, 2022. All proceeds from this event will support the arts, music, science, and technology enrichment programs at Mesa Union School. The Saticoy Club is honored to host our event, and we are excited to have the opportunity for our supporters to experience this private course. The Saticoy Club attracts many golfers from surrounding communities including community leaders, business owners, Mesa School parents, teachers, and celebrity members.

We invite you to contribute to the success of this exciting event, and we offer many ways to do so. Options include sponsoring a twosome, foursome, donating goods or by simply attending the event. We are in search of donors for various goods such as bottled soft drinks, snacks, golf balls, tees, golf related goodies, bottles of alcohol for our raffle, as well as cash donations to support putting on this event.

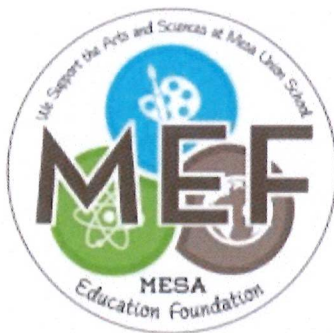

Because we are a nonprofit organization, your contribution is tax deductible to the extent allowed in accordance with the California state tax laws. Our tax-exempt number is 95-3817924.

To ensure you receive the full benefit of your sponsorship, we ask that you commit your donation by April 1, 2022. ## Water Bottles

Friendly reminder that drinking water fountains are currently closed and only water refill stations are available. **Please make sure to send your child with a water bottle each day.**

We have 3 water refill stations located on campus: one inside the cafeteria, one in the kindergarten courtyard, and one in the middle school wing. In addition, each classroom with a sink can be used to refill water bottles.

Each student was supplied with a reusable Mesa Union water bottle at the beginning of the school year to help ensure that all students have access to water and use of the refillable stations.

---

Queremos recordarle que las fuentes de agua potable están actualmente cerradas y solo hay estaciones de recarga de agua disponibles. Asegúrese de enviar a su hijo con una botella de agua todos los días.

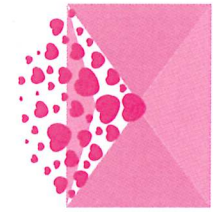

Tenemos 3 estaciones para llenar botellas de agua ubicadas en el plantel: una dentro de la cafetería, una en el patio de kinder y una al lado de la escuela media. Además, cada salón con lavabo se puede utilizar para llenar botellas de agua.

Cada estudiante recibió una botella de agua reutilizable de Mesa Union al comienzo del año escolar para ayudar a garantizar que todos los estudiantes tengan acceso al agua y al uso de las estaciones recargables.
