2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

SCHOOL DESCRIPTION:

Mesa Union School has enjoyed a long tradition of excellence where children thrive in a community-focused, small school environment. Students attend Mesa Union from TK-8 and actively participate in a rigorous and rewarding academic environment enriched with music, arts, athletics, science and special events.

There are many opportunities for families to participate in their children's education process. Parents and community members are encouraged to participate in the school's Parent Faculty Organization (PFO), Mesa Education Foundation (MEF) and various other district committees, including Local Control Accountability Plan (LCAP) Family Advisory Committee. Additionally, there are a variety of volunteer opportunities and support rich student activities before, during and after school. Mesa Union has also launched its Framework for the Future and Learner Profile and in 2023, Mesa Union also became an AVID (Advancing Via Individual Determination) school in order to support college and career readiness.

The district and school mission and vision statement highlighted below captures the essence of our commitment to being student-centric as we educate the whole child. The school's focus is to inspire and develop competent readers, writers, and mathematicians; cultivate scientists, researchers, explorers, innovators, reflective learners, and communicators who foster compassion and empathy for others.

OUR VISION:

"Honor the Past, Live in the Present, Drive to the Future....The Mesa Way!"

OUR MISSION:

The Mission of Mesa Union School District is to provide a safe, nurturing environment that fosters a well-rounded foundation for life-long successes by educating, inspiring and celebrating the minds of our student community and ensuring a better future for all.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Total Out-of-Field Teachers	0.50	0.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks are piloted and approved by the Board of Trustees from materials aligned with state standards.

Mesa Union School provides textbooks (print and digital editions), instructional materials, and supplies to support academic learning. Textbooks are evaluated and updated on regular basis and incorporate language support materials for students identified as emerging bilingual or English learners (EL). The school and individual classroom libraries provide access to a rich selection of reading materials.

There are various personnel with responsibilities that support learning and instruction. These include: Teachers on Special Assignment (2) (TOSAs-), a library/media technician in the school library, a full-time computer resource center technician and Reading Specialists (2) for learning support.

All classrooms have Internet-accessible computers connected to the campus server.

School Facility Conditions and Planned Improvements

Mesa Union School has 27 classrooms, learning center, school library, multipurpose room, cafeteria, physical education facilities, and science lab.

Mesa Union (TK-8) School is committed to providing a safe and healthy learning environment for all students. The school buildings, which reflect the rural aesthetic, were built in the 1930s. Modernization of classrooms, restrooms, and the multipurpose room, school library, science and technology labs was completed in 2005.

Maintenance and custodial staff takes pride in maintaining a clean, aesthetically attractive campus, understanding that a clean and safe environment promotes student learning. During pandemic conditions, maintaining a safe and healthy physical environment is of utmost importance. As such, the district has made numerous repairs and replacements of equipment in order to promote cleanliness and hygiene. These include, but are not limited to: replacement of faucets in classrooms and restrooms, purchase equipment for custodial staff, upgrading custodial closets, adding equipment for handwashing and sanitizing.

In November 2018, the school district community supported the passage of Measure O which will allow the district to make significant facility improvements. Plans for renovations and upgrades to the physical plan are underway according to the district's needs assessment. In order to enhance safety and security, gates and fencing was added to the front of campus during Summer 2020. The next phase of bond projects consisted of a major roofing renovation completed in Summer 2021. A third phase of facilities improvements has been completed as of January 2022 and consists of installation of HVAC system and replacement of windows throughout the physical plant. As part of the bond project, there was also a kitchen renovation, with major upgrades to the appliances and work areas.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	37	36	39	36	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Mesa Union School benefits from active parent participation. Parents are encouraged to participate in a variety of parent advisory committees (Local Control Accountability Plan Family Advisory Committee and English Learner Advisory Committee), the Parent Faculty Organization (PFO), Mesa Education Foundation (MEF), and through a variety of volunteer opportunities at school.

Through the use of Local Control Funding the school employees a family liaison position that supports family and student success.

Please contact Ms. Kim Kuklenski, Principal, or Mrs. Patricia Orozco, Family Liaison, at (805) 485-1411, for details on how to participate in Mesa Union School programs and activities.

Professional Development

Mesa Union School District continues to put a great emphasis on professional learning, development and collaboration. The district continues its implementation of "Learning Wednesdays", which consist of 25 half days to further professional development activities with a focus on the implementation of Common Core State Standards with the implementation of all

Professional Development

adopted instructional materials. Mesa Union also has 5 professional learning days embedded within the school year, which also offer time for professional planning and staff development. Other areas of focus encompass professional development opportunities that reinforce the implementation of Mesa Union's Multi-tiered System of Supports to include:

- Applying Universal Design for Learning (UDL) instructional strategies so that students have opportunities for learning through differentiated content, processes, and products.
- Implementing a Universal Behavior Support System to teach behavioral expectations, recognize positive behavior, and clarify consequences. Specifically, Mesa focused on implementation of CHAMPS to support the development of positive learning expectations and classroom routines that foster clear expectations for students.
- Administering Universal Formative Assessments in grades TK-8 to monitor academic growth, targeted supports and interventions to improve achievement for ALL students, including English learner, low income, and Gifted subgroups.

subgroups.

- Analyzing academic and behavioral data sets using the "Plan, Do, Study, Act" (PDSA) model to inform decision making at the classroom, site, and district level.
- Ensuring that all students develop 21st century practices: communication, collaboration, critical thinking, creativity, and compassion (5Cs).
- Improving technology literacy of teachers and all students in the school district.

All professional development activities are aligned to the Local Control Accountability Plan (LCAP) Goals and provide opportunities for data analysis, collaboration, and professional learning and meet the needs of the district's low-income, English learners, and gifted students. Staff also participate in workshops and conferences aligned to District and school professional development objectives.

At the conclusion of 2021-2022, Mesa Union developed its Framework for the Future, through a collaborative, interactive process with stakeholder input. The Framework for the Future includes a Learner Profile, which will serve as a foundation for goal-setting, professional development and collaboration throughout 2022-2023. Beginning in 2023, Mesa Union School District also became an AVID (Advancing Via Individual Determination) school in order to support college and career readiness.
